For closed-loop systems that only use above Oil Conservation Division 0 8 apound steel tanks or haul-off bins and propose to implement waste removal for closure, submit to the appropriate NMOCD District Office

Santa Fe, NM 87505

Closed sp System Permit or Closure Plan Application

above ground steel tanks or haul-off bins and propose to implement waste removal for closure)

Permit Closure Type of action:

Instructions: Please submit one application (Form C-144 CLEZ) per individual closed-loop system request. For any application request other than for a closed-loop system that only use above ground steel tanks or haul-off bins and propose to implement waste removal for closure, please submit a Form C-144.

Please be advised that approval of this request does not relieve the operator of hability should operations result in pollution of surface water, ground water or the environment. Nor does approval relieve the operator of its responsibility to comply with any other applicable governmental authority's rules, regulations or ordinances
