Gentlemen:

30-005-64100
No Drilling

Your Application for Permit to Drill (APD), approved March 02, 2009 for two years for the Calgary Federal #2, located 1650 FSL and 990 FEL Sec. 24, T. 15 S., R. 28 E., Chaves County, New Mexico. The APD on oil and gas lease NMNM-4433 has expired March 02, 2011 because drilling has not commenced within two years of the approval date.

If drilling operations have commenced on the referenced well, please contact David Blass, Petroleum Engineer, Lands and Minerals at (575)-627-0275 and send all necessary reports (spud, casing/cementing, etc., 1 original and 5 copies) so we may correct our records.

If the well has not been spudded, but construction activities have occurred, please contact this office at the above telephone number for surface reclamation instructions.

If you wish to drill this well at a later date, please submit a complete application (1 original and 5 copies). Since the original APD that it was previously approved and we will review the expired file for information which will expedite the processing.

Sincerely,

/s/ Angel Mayes

Angel Mayes
