13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 1103. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

Subject well was drilled and completed on 4/13/05 in the Morrow from 9403-9612'. It tested at 2490 MCF/D and is presently shut-in pending a gas line installation.

When the well was permitted Echo showed the proration unit to be the S/2 of Section 16-20S-25E. We are now requesting that it be changed to the E/2 of Section 16-20S-25E. Echo is now in the process of staking and permitting a second well in the SW/4 of Sec 16-20S-25E. The ownership of all of Section 16 is the same.

I hereby certify that the information above is true and complete to the best of my knowledge and belief. I further certify that any pit or below-grade tank has been/will be constructed or closed according to NMOCD guidelines ☐, a general permit ☐ or an (attached) alternative OCD-approved plan ☐.
