## PLU Phantom Banks 22 25 30 USA 1H 30-015-40763 BOPCO, L.P. December 10, 2012 Conditions of Approval

- a. First stage to DV tool:
- Cement to circulate. If cement does not circulate, contact the appropriate BLM office before proceeding with second stage cement job. Operator should have plans as to how they will achieve circulation on the next stage.

b. Second stage above DV tool:

Cement should tie-back at least 500 feet into previous casing string. Operator shall provide method of verification.
