Gentlemen:

Your Application for Permit to Drill (APD), approved January 28, 2009 for the McMaster Trust 3 Federal Com Well No. 1, located 2310 feet FNL and 810 feet FEL (SE $\frac{1}{4}$ NE $\frac{1}{4}$) Sec. 3, T. 12 S., R. 26 E., Chaves County, New Mexico, Federal lease NM-111408 has expired January 28, 2011 because drilling had not commenced within two years of the approval date.

If drilling operations have commenced on the referenced well, please contact David Glass, Petroleum Engineer, Lands and Minerals at (575) 627-0275 and send all necessary reports (spud, casing/cementing, etc., 1 original and 5 copies) so we may correct our records.

If the well has not been spudded, but site construction activities have occurred, please contact this office at the above telephone number for surface reclamation instructions.

If you wish to drill this well at a later date, please submit a complete application (1 original and 5 copies). Since the original APD has expired, the resubmitted APD will be subject to all of the processing requirements including the 30-day posting requirement. Please note on the resubmitted APD that it was previously approved and we will review the expired file for information which will expedite the processing.

Sincerely,

/s/ Angel Mayes
