13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

Yates Petroleum Corporation wishes to change the rig to be used to drill the captioned well. This rig is different from the one approved in the APD. The replacement rig will be Nomac #22. The new rig size will be 390' x 355' with a 50' x 50' stinger. Rig location construction will still be within the surveyed 600' x 600' area that was approved in our APD dated 7/17/13. Please note attached plat.

Thank you.
