	<input type="checkbox"/> Convert to Injection	<input type="checkbox"/> Plug Back	<input type="checkbox"/> Water Disposal	PD

13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomple horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Cimarex Energy Respectfully Requests the Changes Below:

While completing the curve in the 6" hole, the BHA twisted off at the MWD tool. Our bottomhole depth at the time was 10,800' MD. We were not able to get to the top of the fish (10,742' @ ~80 deg) with fishing tools. Cimarex requests the approval to perform the following:

Run CBL and CCL to verify good location in cased curve to place whipstock. Place cement plug from top of fish to 10,050' (120' inside previous casing). WOC. Tag cement to verify plug was set on depth. Test cement plug to 1000 psi. Set CIBP at 10,020' (64 degree inclination). Set whipstock on top of CIBP. Top of whipstock at 10,007'. Mill window in casing and drill ahead according to attached directional plan.

Verbal given to POA 8/7/14

14. I hereby certify that the foregoing is true and correct.	
Electronic Submission #253722 verified by the BLM Well Information System For CIMAREX ENERGY COMPANY OF CO, sent to the Carlsbad Committed to AFMSS for processing by CHRISTOPHER WALLS on 08/15/2014 (14CRW0312SE)
