BE CONTACTED IMMEDIATELY!

ations. (Clearly state all pertinent details, and give pertinent dates, including estimated date  
RULE 1103. For Multiple Completions: Attach wellbore diagram of proposed completion

Yates Petroleum Corporation request to extend the captioned well's APD expiration date for one (1) year to December 4, 2006.  
Any pit or below-grade tank has been/will be constructed or closed according to NMOCD guidelines with an approved general  
permit on file. C-144 attached.

Sources at Yates Petroleum Corporation have relayed information to me that they believe there will not be enough H2S anticipated from the surface to  
the Canyon Formation to meet the OCD's minimum requirements for the submission of a contingency plan per Rule 118.

I hereby certify that the information above is true and complete to the best of my knowledge and belief. I further certify that any pit or below-  
grade tank has been/will be constructed or closed according to NMOCD guidelines ☐, a general permit ☒ or an (attached) alternative OCD-approved plan ☐.
