Eddy County, New Mexico

Dear Mr. Sherrell:

This letter rescinds the approval for the subject well which was approved by mistake on December 19, 2005.

This application for permit to drill had been pending since May 3, 2005 due to some of our archaeological staff finding cultural materials within the proposed well pad.

We apologize for any inconvenience that this might have caused.

Should you have any questions, please contact Joe Lara at (505) 234-5915.

Sincerely,

/s/ **James Stovall**
