Dear Mr. Arrant,

We are respectfully requesting an exception to NMOCD Rule 118 for the H2S Contingency Plan for the well as referenced above. We do not anticipate encountering any H2S during the drilling or completion of this well, as per area drilling data and the target Wolfcamp formation properties.

Please let me know if you need any further information regarding this request.  
Thank you.

Yours truly,

Ann E. Ritchie, Regulatory Agent
