Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

OXY USA Inc. respectfully requests to flare gas. This request is due to the Enterprise Products Partners LP pipeline that transport gas for this well was located within the Gypsum Wild-Buckwheat Habitat. Enterprise was required to shut in the pipeline while it is being re-routed out of the habitat. The pipeline is currently planned to be completed by August, 2015.
