Jackie:

A review of the subject well reveals this well has been placed in a wrong pool designation. The correct pool designation should be 96409 *Forehand Ranch;Wolfcamp, Southwest*. This is an oil pool and representative of this well's classification and location. Dedicated acreage will reduce from 480 acres to 240 acres. I am making this change in our records today; therefore, this well cannot be reported under pool 76780 *Forehand Ranch;Wolfcamp (Gas)* subsequent to today. Additionally, the two months which have been reported under the incorrect pool designation will need to be amended to pool 96409.

If you have any questions, please let us know. Thank you ~
