**RE: Monthly AGI Readings  
Artesia Gas Plant Gas Injection Well  
API No. 30-015-32324**

To whom it may concern:

Enclosed are monthly readings for the Acid Gas Injection well at Artesia Gas Plant for the month of July 2018. These are being submitted on a monthly basis due to the request by the OCD in lieu of the requirement to perform a yearly mechanical integrity test on the well. DCP Midstream Operating Company LP (DCPM) understands that we will be required to perform a mechanical integrity test on the well once every five years.

If you have any questions about this information, feel free to contact me at (575) 802-5225 or via email at [nlcase@dcpmidstream.com](mailto:nlcase@dcpmidstream.com).

Respectfully,

**DCP Midstream, LP**
