The survey map shows a grid of sections 11, 12, 13, 14, 23, and 24. A well location is plotted at the intersection of Section 11 and 12. The well path is shown as a dashed line starting from the surface location (S.H.L.) and ending at the bottom hole location (B.H.L.). The well depth is indicated as 2,436 feet. The well is located 210 feet north and 405 feet east of the corner coordinates table.
