Operator,

Based on analytical data provided to the New Mexico Oil Conservation Division (OCD), the request to backfill the pit at the above referenced site is approved.

Please be advised that this approval does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, this approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

Sincerely,

Mike Bratcher
