Re: H2S Contingency Plan
Wolf Pack '1' Federal Com. 1
N/2 Section 1-T17S-R29E
Eddy County, NM

3/15/2007

Dear Bryan,

We plan to complete the subject well in the Morrow formation which is sweet gas. We do not anticipate drilling through formations that might contain H2S and therefore do not believe an H2S contingency plan is necessary.

Thanks for your consideration. You may contact me at 432-553-1849 if you need anything else.

A handwritten signature in black ink, appearing to read "Randall Cate", written over the printed name.
