Dear Denise,

Concerning the above noted well, the OCD has not received regulatory information after a subsequent report dated 5/2/2005. Please submit all required regulatory information no later than 5/18/2007.  
From what I can assume, I will need the following information:

Subsequent report(s) drilling to the TD of the well bore.  
Notarized well deviation report.  
Completion report  
Form C104, Is this well producing w/o authorization?  
Complete set of electric logs.

Yours truly,
