13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

During drilling the intermediate hole, a water flow was encountered at 1155'. Rex Glenn, Consultant for Threshold Development Corporation, ~~received verbal approval from J. R. Hogwood w/BLM Doorewell (on location)~~ to transport the produced fresh water to private property owned by Mr. David Dice. Said property is located in Section 17 of Township 24S-Range 18E. Approximately 6 loads (780 bbls) was transported to private property.

RE: See attached water test report.
