13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Threshold Development Company respectfully requests permission to vary from the Application for Permit to Drill for the Location and Type of Water Supply. The original application had stated that water would be obtained from commercial sources and would be trucked to location.

We respectfully request that the water be obtained from a private source - Mr. David Dice's water well located in Section _____ Township _____ Range _____, and will be provided to the drilling site via fas-line.

Water quality will meet or exceed water requirements listed in the Conditions of Approval attached to the Application for Permit to Drill.

Water will be sampled and tested.

14. I hereby certify that the foregoing is true and correct
