Thanks Bryan,

I went ahead and attached a new plat with a new penetration point so we are not non standard. Let me know if you need anything else. Thanks!

Nancy

Thanks Nancy,

I can note this as "NSL-Drill Only" on the front page as the penetration point of the formation intended to produce is non standard. We do not commonly issue API#s for NSLs before they are approved. When you get the NSL#, can you let me know???
The API # is: 30-015-35763.

Visit w/you later,
