Administrative Approval Request
Dodd Federal Unit #529

Section 15 T-17S R-29E
Eddy County, New Mexico

Dear Mr. Arrant:

Marbob Energy Corporation respectfully requests administrative approval for an unorthodox location of the Dodd Federal Unit #529 well as referenced above. Attached is an OCD Form C-102 showing the proposed oil well spacing unit along with a map showing the adjoining spacing units. The well is unorthodox to the east boundary of the SW/4NE/4. The affected spacing unit is included in the Dodd Federal Unit which covers East half of Section 15. Marbob Energy is the operator of the affected spacing units and the other spacing units. This location is at an unorthodox location because of a high pressure gas lines due east. This was the closest alternative.

Thank you for your consideration of this. If you need to talk with me further please call me at 800-748-1550.

Sincerely,

William Miller
