Mr. Arrant,

Devon Energy Production Company, LP requests permission to transport oil from the Hondo 4 K Federal 49 well. We have applied for and are awaiting approval to surface commingle this well. We are currently producing to frac tanks and request that we be allowed to sell the oil contained due to capacity limitations. I have attached a Form C-104 for your review.

Please contact me at (405) 552-8198 should you have any questions or need further information. I appreciate your assistance in this matter.

Sincerely,

Devon Energy Production Company, LP
