Dodd Fed. Unit #536

Section 10 T-17S R-29E  
Eddy County, New Mexico

Dear Mr. Gumm:

Marbob Energy Corporation respectfully requests administrative approval for an unorthodox location of the Dodd Federal Unit #536 well as referenced above. Attached is an OCD Form C-102 showing the proposed oil well spacing unit along with a map showing the adjoining spacing units. This well is unorthodox to the East boundary of the SW/4SE/4. The affected spacing unit is included in the Dodd Fed. Unit which covers E/2, E/2W/2 of Section 10. Notice has been provided to the operator unit.

This location will also increase our secondary/tertiary flood pattern options and give us more flexibility to modify or change flood patterns in the future to maximize oil recovery from this unit. Thank you for your consideration of this. If you need to talk with me further please call me at 800-748-1550.

Sincerely,

William Miller  
Land Department

The OCD approves the Dodd  
#536 unorthodox location
