- 13 Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

BEPCO L.P. respectfully request the changes listed below to be approved for the captioned well:

The well will be drilled utilizing a closed loop mud circulating system without a reserve pit being built or utilized. All water or mud as drilling fluids will be cleaned and recycled or trucked to an approved disposal site. All drill cuttings will be collected and trucked to an approved disposal site.
