### FINAL REPORT C-141 AND SITE CLOSURE – RUSSELL 35 FEDERAL NO. 3

The NMOCD District 2 Office has received your sampling report dated 03/13/06 by Environmental Lab of Texas and your Final Report C-141 for site closure for the release at the Russell 35 Federal No. 3 (30-015-05892).

Based on the results shown in the laboratory analysis the Final Report C-141 is approved and site closure authorized.

Thank you for your prompt attention to this matter and your efforts in protecting the environment.

A handwritten signature in cursive script, appearing to read "Cheryl Bad".
