Dear Ms. Parker:

On June 15, 2001, a policy change regarding Application for Permit to Drill (APD) extensions was issued by the New Mexico State Office, Bureau of Land Management, as Instruction Memorandum NM-2001-33. We are returning your Sundry Notice for the well listed below, requesting an APD extension, because the APD has already received one or more extension(s) and is not eligible for extension. You still have until the expiration date of the last approved extension to begin drilling operations on this well.

LC-028731-B M Dodd B Deep Fed #3 Sec. 14, T.17S, R.29E 660'S & 660'E

APD was approved 10/4/01, and last approved extension to expire on 10/4/03.

Sincerely,

/s/ Joe G. Lara
