Gentlemen:

In an effort to keep our well file up to date, we have not found an approved C104 for the referenced well on you web site. The original and required copies dated 8/31/2009 were mailed to your address on this same date along with the required log copies and a copy of the well deviation survey. Since we have not found an approved 3160-5 nor a posting of the logs on the website, we can only assume you did not receive the mailing. We are sending another copy of the logs and copies of the C-104. We note you have a copy of the deviation survey.

Yours truly
