13 Describe Proposed or Completed Operation. Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleate horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleation in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

Yates Petroleum Corporation is submitting application for produced water pursuant to Order #7 and requests your approval. The well at present produces 0 of water per day from the Dagger Draw/Upper Penn. The water will be stored in 1- 500 Fbgl tank and will be pipeline to the Mimosa Fed. **Disposal of Produced Water From Federal Wells
Conditions of Approval**

Approval of the produced water disposal methodology is subject to the following conditions of approval

1. This agency shall be notified of any change in your method or location of disposal.
2. Compliance with all provisions of Onshore Order No 7
3. This agency shall be notified of any spill or discharge as required by,NTL-3A
4. This agency reserves the right to modify or rescind approval whenever it determines continued use of the approved method may adversely affect the surface or subsurface environments
5. All above ground structures on the lease shall be painted Shale Green (5Y 4/2), or as per approved APD stipulations This is to be done within 90 days, if you have not already done so
6. Any on-lease open top storage tanks shall be covered with a protective cover to prevent entry by birds and other wildlife
7. This approval should not constitute the granting of any right-of-way or construction rights not granted by the lease instrument
8. If water is transported via a pipeline that extends beyond the lease boundary, then you need to submit within 30 days an application for right-of-way approval to the Realty Section in this office if you have not already done so
