Dear Sir:

We wrote you on April 14th requesting explanation of your figures as you stated in your previous letter that your records for the end of February 1962 showed the Cannon lease overproduced by 466 Barrels.

We are holding up the March report until we hear from you regarding your letter of over-production for the month of February.

Will you please advise us regarding this as soon as possible.

Thank you,

Yours very truly,

ALLEN AND WAGNER OIL CO.,
