Gentlemen:

I wish to call to your attention the fact that an error has been made in the location of my No. 2 well on my State E-92 lease in Section 26, Township 10 South, Range 26 East, Chaves County.

The notice of Intention to Drill for this well and all papers filed thereafter show the location to be 2310 feet from north line and 2310 from east line of Section 26. The error was made when the location for the well was staked. The well is actually located 2310 feet from the north line and 2740 from the east line.

Yours very truly,

J. W. Brown
