MEMORANDUM

TO: Rand Carroll
FROM: Ray Smith *RS.*
SUBJECT: Well Plugging, Sage Oil Co., Gulf State #1 Ut N-20-10S-27E
DATE: April 26, 1995

In order to protect fresh waters of the state of New Mexico, the environment and correlative rights of the area we recommend the plugging of the above captioned well.

This well did belong to Raney McKay who owned the Rapid Company wells that recently went to show cause hearing. Also, I find no allowable was ever assigned to this well.
