Dear Mr. Shannon:

We are returning the enclosed Form C-103 on the subject well for additional information.

Said report must show that a properly inscribed marker was set in cement, that pits have been filled and the location cleared of junk.

Further, the report should be a Subsequent Report of Plugging.

In addition, Form C-105 Well Completion or Recompletion Report and Log must be submitted.

If you have any questions concerning this please feel free to call upon me.

Sincerely yours,
