Pecos Slope Abo

Gentlemen:

We acknowledge receipt of your C-103 dated February 22, 1984, on the above captioned well.

However, we are returning it so that you may show the casing test on the 9 5/8" casing.

Rule 107 requires a WOC (Waiting On Cement) time of eighteen hours, and it requires that the casing test be at least 600 psi for a period of thirty minutes.

Very truly yours,

Leslie A. Clements
