BLOWOUT PREVENTER STACK
3000# WP

All distances must be from the outer boundaries of the Section.

Operator Carl Schellinger		Lease Campbell Station Unit			Well No. #5
Section E	Section 3	Township 9 South	Range 27 East	County Chaves	
Well Location Location of Well					
660 feet from the West line and		1980 feet from the North line			
Ground Level Elev. 3865	Producing Formation Fusselman	Pool Wildcat		Dedicated Acreage 40 Acres	

- Outline the acreage dedicated to the subject well by colored pencil or hatchure marks on the plat below.
- If more than one lease is dedicated to the well, outline each and identify the ownership thereof (both as to working interest and royalty).
- If more than one lease of different ownership is dedicated to the well, have the interests of all owners been consolidated by communitization, unitization, force-pooling, etc?
 Yes No If answer is "yes," type of consolidation _____

If answer is "no," list the owners and tract descriptions which have actually been consolidated. (Use reverse side of this form if necessary.) _____
 No allowable will be assigned to the well until all interests have been consolidated (by communitization, unitization, forced-pooling, or otherwise) or until a non-standard unit, eliminating such interests, has been approved by the Division
