Sec. 28-T17S-R28E, Eddy
County, New Mexico

Dear Sir:

In looking through our files, I found that you haven't filed any forms on the above captioned well.

We need three (3) copies of form C-103 on each string of pipe you ran. The following information should be on each form C-103 - how much pipe, what weight, how much cement was used, where perforated, how many holes per foot and how it was treated.

Please send us these forms as soon as possible.

Very truly yours,

M. L. Armstrong
Supervisor, District No. 2
