BY W. A. Gressett
OIL AND GAS INSPECTOR
This form is to be filed in compliance with rules and regulations.
When a request for allowable for a newly drilled or completed well, this form must be accompanied by a tabulation of the deviation tests taken on the well in accordance with rules and regulations.
All sections of this form must be filled out completely for all wells now and completed wells.
Only Sections I, II, III, and IV for change of owner, well name or number, or transportation or other such change of conditions.
Separate Form C-104 must be filed for each pool in multiple completed wells.
