1970

No. 1

SUPPLEMENT TO THE OIL PRORATION SCHEDULE

DATE 1/13/70

1970

1. The Commission has received a request from the  
operator of the well in the Artesia field for  
a proration schedule for the year 1970. The  
operator has requested that the well be  
prorated at 100% of its capacity.

2. The Commission has reviewed the request and  
has determined that the well is capable of  
producing oil at a rate of 100% of its  
capacity. The Commission has therefore  
approved the request for a proration  
schedule for the year 1970.
