

Memo

From
L.A. MERMIS
Inspector

To

Inspected 12/6/82

P+A Loc. OK, Marker is not sterilized
It has a plate with info. welded on it.
Plate has been knocked off by cows.
Also checked the 13 3/4" x 5 1/2" cry is open.
You can ~~also~~ move the marker further
Marker is centered in 8 3/4" cry.

12/10/82

will repair next week
