Re: G J West Coop Unit

Grayburg Jackson (SR-Q-G-SA) Pool

Gentlemen:

We are in receipt of your C-116 (GOR Report) on wells in the Grayburg Jackson (SR-Q-G-SA) Pool.

In this report, you show G J West Coop Unit #55-I-16-17-29 as producing 8 barrels of oil per day.

However, we do not show this well in our Proration Schedule, and you have not shown it as producing on the C-115 - Operator's Monthly Report.

In order to put this well back in the Schedule, we will need something showing what was done, and when this well was put back on production.

Very truly yours,
