Dear Mr. Smith:

I am pleased to hear that you are interested in the work of the New Mexico Conservation Commission. The Commission is a state agency which is responsible for the management and conservation of the state's natural resources. We are currently conducting a study of the state's wildlife resources and are interested in your views on the subject.

I am sure that your expertise and experience will be of great value to the Commission. We would like to have you submit a report on the state's wildlife resources to the Commission by the end of the month.

Very truly yours,
Commissioner
