Re: #1-7 Anderson Federal  
Eddy County, New Mexico

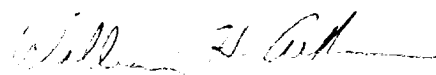

Dear Mr. Gressett:

Enclosed is a copy of a letter from Natural Gas Pipeline Company advising of the connection of our above well. I was in error when I said I thought it had been mailed directly to you.

Also enclosed is a copy of our Request for an Allowable dated October 24, 1972. In addition, I am enclosing a copy of Back Pressure Test on the well.

We are also enclosing an amended plat indicating the 160 acres to be assigned to this well. One set of logs is also enclosed with this letter.

Yours very truly,

WILLIAM H. AIKMAN
