Eddy County, NM

Gentlemen:

We are returning the enclosed Forms C-102 on the subject well for additional information. Please identify the ownership of each lease, both as to working interest and royalty. Further, according to our map, the well is located on lease #648, not on E-7815 as shown on Form C-115.

Please clarify this.

Sincerely,

W. A. Gressett
Supervisor, District II
