

STATE OF NEW MEXICO

OFFICE OF
STATE ENGINEER
SANTA FE

October 6, 1952.

JOHN H. BLISS
STATE ENGINEER

RECEIVED
OCT 9 1952
Oil Cons. Comm.
Santa Fe Office

File: C-366

Oil and Gas Conservation Commission
State Capitol Building,
Santa Fe, New Mexico.

Dear Sirs:

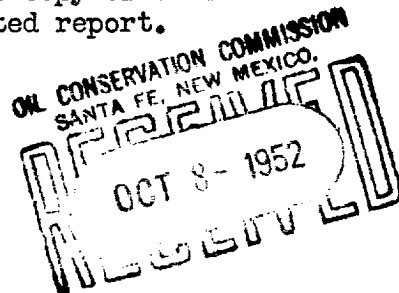

We have approved this date an application by Jenkins and McQueen for a permit to drill an oil well in the NW $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 25, Township 22 South, Range 26 East, on land owned by Beuford Yarbrow, in Eddy County.

This application has been assigned File No. C-366 in this office.

We would appreciate it, if your office would forward to us, when this well has been completed, a completion report advising us if:

- _____ (1). The well was properly drilled and cased and is now a producing oil well.
- _____ (2). The well was abandoned and properly plugged on 10-29 + 10-31-1952.
- _____ (3). The well has been abandoned for oil drilling purposes and properly converted into a water well.

A duplicate copy of this letter is enclosed and may be used for the requested report.

Very truly yours,

John H. Bliss
State Engineer

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and the role of the accounting department in ensuring the integrity of the financial statements.

2. It also highlights the need for regular audits and the importance of having a strong internal control system in place to prevent fraud and errors.

3. The second part of the document focuses on the importance of communication and collaboration between different departments, particularly between finance and operations, to ensure that the company is running smoothly and efficiently.

4. It also discusses the importance of having a clear understanding of the company's financial position and the ability to make informed decisions based on that information.

5. The third part of the document discusses the importance of having a strong understanding of the market and the competition, and the need for the company to be able to adapt to changes in the market environment.

6. It also discusses the importance of having a clear understanding of the company's strengths and weaknesses, and the need for the company to be able to leverage its strengths and address its weaknesses.

7. The fourth part of the document discusses the importance of having a strong understanding of the company's financial position and the need for the company to be able to make informed decisions based on that information.

8. It also discusses the importance of having a clear understanding of the company's strengths and weaknesses, and the need for the company to be able to leverage its strengths and address its weaknesses.

9. The fifth part of the document discusses the importance of having a strong understanding of the market and the competition, and the need for the company to be able to adapt to changes in the market environment.

10. It also discusses the importance of having a clear understanding of the company's strengths and weaknesses, and the need for the company to be able to leverage its strengths and address its weaknesses.
