Dear Sir:

Please find enclosed herewith your approved copies of Form C-104, Request for Allowable, and Form C-110, Certificate of Compliance and Authorization to Transport Oil, for you Gulf-Federal No. 1, SW NE Section 33-20S-30E, Undesignated location, Eddy County, New Mexico.

We are sorry that you did not mail these forms direct to the Artesia office of the Commission in time to get an allowable assignment effective February 18, 1956. The forms arrived at the Hobbs office on March 1, and were forwarded here and arrived March 2, and since the proration order for the month of February expired at 7:00 A.M. March 1, the proration manager cannot legally assign any allowable after that time and date for a part of February. However your allowable will be assigned as of March 1, 1956, and in the future please mail Form C-104's, C-110's and C-105's on Eddy County wells direct to the Artesia office of the Commission for approval and distribution.

Very truly yours,
