Dear Mr. Hanson:

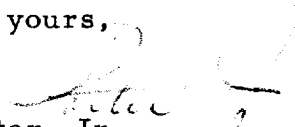

We are quoting below a letter dated April 20, 1956 which was received in this office on April 23, 1956. We note that copies were sent to Hudson & Hudson at Fort Worth, and to the U.S.G.S. at Roswell and Carlsbad.

"We have received a copy of Notice of Intention to Drill from Hudson & Hudson for their No. 2 Gulf-Federal in Section 33, Township 20 South, Range 30 East, Eddy County, New Mexico.

This will advise you that we have no objection to the drilling of such a well at the location indicated."

Potash Company of America.

Very truly yours,

  
A. L. Porter, Jr.  
Acting Secretary-Director
