13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Marathon Oil Company is requesting renewal of the TA status of this well. The casing integrity was tested 8/17/99 and witnessed by Duncan Whitlock. You should have a copy of the chart in your files. This well has Upper Penn potential, and Marathon plans to add pay and stimulate this well. However, due to changes in our workover schedule, it is not known at this time when this work will be completed. Please extend the TA status of this well through 9/1/2002.

TA Approved For 12 Month Period
Ending 8/17/2002

14. I hereby certify that the foregoing is true and correct.
