NOTE: Report results of multiple completion on Well Completion or Recompletion Report and Log form.

17. DESCRIBE PROPOSED OR PLANNED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

This well was plugged 1-31-67. All of the pipe was left in the hole. Filled bottom of hole with 2 sacks of cement slurry - loaded hole with heavy mud and capped well with approximately one sack of cement. The location is now ready for inspection.
