Re: Bogle Flats Unit Well No. 8 G,
5-22-23, Indian Basin - Upper
Pennsylvanian Gas Pool

Gentlemen:

We note that the subject well has dedicated acreage of 679 acres. Please request administrative approval of this non standard proration unit through our Santa Fe office. Further, we have been advised by the U.S.G.S. that the unit acreage in Section 5-22-23 will be communitized with some acreage in the section which has not been committed to the unit. If this is the case, upon completion of the communitization please file the following:

- (1) Form C-104 showing change in lease name to Bogle Flats Unit Gas Com
- (2) Form C-102 with the communitized unit and non unit lease outlined. Please identify the working interest and royalty ownership under the non unit acreage.

If there are any questions on this matter do not hesitate to call upon me.

Very truly yours,

OIL CONSERVATION COMMISSION
