Re: Big Eddy Unit #33-P  
Section 4-20-31, Eddy  
County, New Mexico

Gentlemen:

With respect to the gas production from Big Eddy Unit #33 and your letter of June 8, 1971, this is to advise that negotiations are being carried out with three possible purchasers and an early agreement is expected. Connection should be completed and deliveries commenced shortly thereafter.

In order that testing may be continued, we respectfully request an exception to Order R-4070 for a period of 60 days from this date.

Yours very truly,

CHAMPLIN PETROLEUM COMPANY
