**Re: Big Eddy Unit, Well #35, 12,700' Morrow
Test.**

Dear Sir:

PERRY R. BASS proposes to drill the above referenced well for the production of oil and/or gas; said well to be located 1980' FN&WL of Section 27, T20S, R30E, Eddy County, New Mexico.

PERRY R. BASS proposes to drill the above referenced well in accordance with rules set forth under NMOCC R-111-A. A copy of the application to drill (form 9-331C), which will be submitted to the USGS office, Artesia, New Mexico, is attached setting forth the proposed drilling program.

You hold potash leases or applications within one (1) mile of the proposed drillsite; therefore, we respectfully request your waiver with regard to the drilling of this proposed test.

If you have no objections to the drilling of the above referenced well, please execute the waiver provided in the space below. Your immediate attention and consideration will be greatly appreciated.

Sincerely,

Jack D. Semon

Jack D. Semon
Division Engineer

RECEIVED

MAR - 8 1973

U. S. GEOLOGICAL SURVEY
ARTESIA, NEW MEXICO

The undersigned, waive all objections to the drilling of the proposed well; provided that all operations are conducted in conformance with rules and regulations governing the drilling of wells in the potash area.
